

## EU Declaration of Conformity

We, the undersigned,  
 Nedap N.V., Parallelweg 2, 7141DC Groenlo, The Netherlands,

T: +31 (0)544 471 111  
 info@nedap.com  
 www.nedap.com

certify and declare under our sole responsibility that the following equipment:

|                            |  |
|----------------------------|--|
| <b>Product description</b> | Connected smart day calendar for structuring people's lives in a smart way |
| <b>Manufacturer</b>        | Nedap N.V.   |
| <b>Brand</b>               | NEDAP  |
| <b>Models</b>              | ASSY LUNA01  |

is tested to following standards and conforms with the essential requirements of Directive 2014/53/EU for the protection of health and safety of persons and of domestic animals and the protection of property (Article 3.1a) and electromagnetic compatibility (Article 3.1b):

| Standard                                      | Issue date / version                           |
|---|--|
| EN 62368-1 + A11                              | 2014 + 2017                                    |
| EN 62311                                      | 2020   |
| EN 55032 + A11 + A1                           | 2015 + 2020 + 2020                             |
| EN 55035 + A11                                | 2017 + 2020                                    |
| EN 301 489-1, EN 301 489-17 and EN 301 489-52 | V2.2.3 (2019), V3.2.2 (2019) and V1.1.0 (2016) |

and is tested to the following standards and conforms with the essential requirements of Directive 2014/53/EU that it effectively uses the frequency spectrum as to avoid harmful interference (Article 3.2):

| Standard                       | Issue date / version                |
|--------------------------------|-------------------------------------|
| EN 300 328                     | V2.2.2 (2019)                       |
| EN 301 908-1 and EN 301 908-13 | V11.1.17 (2018) and V11.1.12 (2017) |

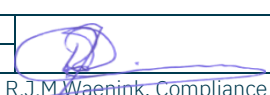

and therefore complies with all the essential requirements and provisions of **Directive 2014/53/EU** of the European Parliament and of the Council of 16 April 2014 on Radio Equipment and the mutual recognition of their conformity based on following the conformity assessment procedure referred to in Article 17.2.

The equipment also complies with Directive **2011/65/EU** (RoHS 2) and all of its amendments (including **2015/863**) as of today on restrictions of the use of certain hazardous substances in electrical and electronic equipment.

The following laboratories and institutions performed the tests and issued the relevant reports:
